DESIZN AND CONSTRUCTION  
PRIVATE LIMITED

## ABOUT US

Mahabir Design and Construction Private Limited (MDC) is an established force in infrastructure development, specializing in complex, time-sensitive projects since 2010. Our mission is to transform challenging requirements into successful deliveries, positioning us as a reliable partner for essential sectors, including residential and renewable energy. We are dedicated to accelerating your project timelines without compromising the highest standards of quality.

### Driven by Growth and Performance

Our performance history is defined by a consistent ability to execute large scopes with exceptional speed and precision. In critical projects, we have demonstrated the capability to complete foundational groundwork significantly ahead of schedule and deliver full-scale site infrastructure in just a few months. This dedication has earned us successive high-value contract awards, including current projects valued around 56 Crore.

### Core Project Expertise

- Our expertise spans the full spectrum of integrated construction and development:
- Utility Piling & Structure: Rapid completion of foundational elements for power and utility systems.
- Power Substation Systems (PSS): Mastery in the development of critical electrical components, including foundation structures for power filtering and comprehensive substation builds.
- Solar Module Installation: Expert execution of structure mounting and final installation for large-scale solar blocks.
- Integrated Civil Infrastructure: Development of complete site amenities, including accommodations, sanitation, drainage, and other supporting facilities.

### The MDC Advantage

We embrace complexity. For even the most challenging first time high value scopes, our teams dedicate 100 percent focused effort to ensure success within projected timelines. Partner with MDC and make our proven reliability the competitive advantage that builds your future today.

# Our Long-Term Legacy

## **Mission:**

### **Delivering Excellence, Driving Sustainability**

Our mission is to provide a seamless and comprehensive building experience by meticulously integrating our diverse specializations. We execute construction with rigorous quality standards and provide certified expertise in electrical works and material channel partnerships. We actively pursue and deliver high-impact green-energy infrastructure, demonstrating our commitment to sustainability and innovation. We achieve this by fostering transparency, investing in a highly skilled workforce, and maintaining a steadfast focus on project punctuality and absolute client satisfaction across all our ventures.

## **Vision:**

### **The Integrated Engine of India's Green Future**

Mahabir Desizn and Construction Private Limited is poised to be the next growing company, recognized as India's leading integrated construction partner. We aspire to set the national benchmark by merging our core expertise in contracting, home-making, renovation, and interior works with an advanced focus on Environmental, Solar, and Green-Energy projects. This draws on our notable experience, including work for Adani Green Energy. As a dynamic SME, our long-term goal is to achieve all-inclusive success for our stakeholders, strategically culminating in future IPO opportunities.

# Director's Statement on Company Direction

By **Mr. Roshan A. Singh, Managing Director**

To all our stakeholders, the trajectory of Mahabir Desizn and Construction Private Limited is firmly set on aggressive growth. As a focused SME, we recognize that our future lies in scaling our expertise across India.

We are consciously positioning ourselves as the next growing company by driving excellence in our core services contracting, residential and commercial while concurrently expanding into high-potential sectors. Our strategic investment in Environmental, Solar, and Green-Energy projects, exemplified by successful partnerships with leaders like Adani Green Energy, is crucial to this expansion.

This strategic diversification is not just about building a larger company; it is about building a more valuable one. Our commitment to operational rigor and strategic expansion is the foundation upon which we are actively working toward realizing future IPO opportunities. We are building our legacy and welcome you to be part of this growth story.

## Our Team

At Mahabir Desizn and Construction Private Limited, our team thrives on building meaningful relationships with every client. Our architects, planners and engineers approach each project with patience, professionalism and a sincere desire to understand individual needs. We choose our team members based on skill, dedication and their ability to uphold our principles. With end-to end capabilities managed internally, we ensure consistency and accountability throughout the construction process. The motivation behind our work comes from seeing families step into homes shaped with care, trust and lasting value.

Before assigning the exact roles and responsibilities to the people mentioned, need clarity on what holds what within the company.
